Hiya, folks. Well, here's a new Klassic at last. I haven't completely abandoned the minicomics format for the Specials, yet. The bulk of this issue is taken up by the Porno babies Model Sheets. Y'see, there's this guy who wants to computer animate the Porno Babies. I'm not kidding! Of course, it's not likely that they'll ever end up on Saturday Morning, but seeing 'em move will be so neat! This issue is rounded out with a two page story that first ran in Juan Alfonso's X-TRA SPICY TAILS, and a couple of pinup pictures. Violating my copyright will result in your torture, murder and the complete disappearance of your corpse. So play straight and

ENJOY THE SHOW!
